Message from Chair

I hope everyone had a great summer. We are off to a great start for the 2011-2012 program year. The Board had a very productive Strategy Meeting on August 22nd. One topic the Board knows is very important to you is the Education Program. Dr. Lois Jordan, Education Chair, is putting the final touches on a schedule of courses that will help you prepare for upcoming certification exams. Watch your email and the Section's website for announcements regarding schedule, costs and location. We will share more information from the Strategy Meeting in future newsletters.

Beginning this month, the newsletter is only available electronically. You will receive an email when the newsletter is ready to go. Speaking of email, there are two things you need to do to make sure you receive our emails:

- Update your email address in your ASQ profile on www.asq.org. ASQ is the source for the mailing lists.
- Check your spam folder for our emails. If our emails are in your spam folder, please add us to your "safe sender" list.

These two steps will insure that you have up to date information on what's going on with the Section.

We have speakers lined up for the next several months. So please plan on attending our next meeting on Monday, September 12th. The times and location are the same as last year. However, we need your help in identifying speakers for the second have of the year.

Open positions continue to make the lives of the Board more interesting. The **Program Chair** is key to having great speakers at all our meeting. Think about how these programs help you in maintaining your certifications and your jobs and consider volunteering. Another key position that is open is Arrangements Chair. The **Arrangements Chair** is responsible of setting the menu, opening the registration module each month and getting people checked in at the meetings. Marguerite Jensen, has handled this responsibility very well for the last three years. Unfortunately, the schedule and responsibilities her new job do not allow her to continue. Thank you, Marguerite, for your service to the Section. This is another way you can help the Section. Contact me, gstrohm@verizon.net, if you are interested in either one of these positions.

I look forward to seeing you on Monday, September 12, 2011 at the St. Petersburg - Clearwater Marriott on Roosevelt Blvd.

Greg Strohm, Section Chair

ASQ Recertification Process

To maintain the integrity of your certification ASQ requires that you recertify every three years, either by journal or by exam. The purpose of recertifying is to ensure that as an ASQ-certified quality professional you maintain the same level of knowledge originally demonstrated when you passed the written examination. If you do not recertify, your certification will lapse and ASQ will no longer recognize you as “certified.” For members who hold ASQ certification(s), which they wish to recertify, the following details the process of recertification.

Where do I get a journal to complete?

A journal was sent to you with your original certificate. If you no longer have it, you can download a new journal form the ASQ website at this address:

<http://www.asq.org/certification/recertification/rucredits/index.htm>

Or you may call ASQ: (800)-248-1946 Monday-Friday: 7:00 a.m. to 5:00 p.m. Central time

Where do I send my journal?

Please submit your completed journal, payment, and a copy of all supporting documentation to the correct address below.

Last name begins with A-M:

Richard Wong
ASQ Section 1508 Recertification Co-Chair

306 Oranewood Ln
Largo, FL 33770-4013
727-545-0400 ext 7648

recertificationchair@asqtampabay.org

Last name begins with N-Z:

Sara Kaplan
ASQ Section 1508 Recertification Co-Chair

MicroLumen, Inc.
7624 Bald Cypress Place
Tampa, FL 33614
813-886-1200

recertificationchair@asqtampabay.org

How shall I submit my journal?

You may email your completed journal, payment and required supporting documentation in PDF format only if you are paying by credit card. Or, you may send it via US Postal Service, Federal Express, or UPS. Please make sure you release the packet without signature to avoid delays in receipt. You may also hand deliver the journal to either one of us at a local section meeting, but please check first to make sure at least one of us will be attending the meeting. Whatever method you decide please ensure that all documents, copies, and/or scans are legible.

Do you prefer a check or credit card?

Credit card is preferred as this will help expedite the process. If you want to pay by check, make it payable to ASQ.

What do I include with my recertification journal packet?

Remember to include copies of documentation supporting your RU credits claimed, the completed recertification application form, and any/all corresponding completed pages summarizing your activities from within the recertification journal.

Please do not send pages that you are not completing, and please do not send the intact journal, remove the pages that are relevant to your application and submit only those.

Do not enclose original documentation—copies only.

When do I need to submit my recertification journal?

Recertification journal packets may be submitted up to six months before and after your certification expiration date. If you submit your journal after the six-month period you will have to recertify by exam, unless special arrangements were made before your certification expiration date.

Early submittal of your recertification journal does not change your original expiration date. For example, if your CQA expires June 30, 2009, and you submit your packet in March 2009, your new expiration date will be June 30, 2012, not March 2012.

I am unable to obtain past employers' employment verification documentation. What other means of documentation may I use?

If you are unable to obtain past employers' employment verification documentation (because an employer is no longer in business, has moved away, or you are not able to reach an appropriate contact), you may use old pay stubs or W2 tax forms as an alternative for employment documentation. You may obscure any personal information where necessary. However, you **MUST** include your name, company name, and **BEGINNING** and **END DATES** for that particular employment period as it relates to your current three-year recertification period. Please also include an old business card, if you have one.

What are the dates I can include completed activities from?

If you are recertifying for the first time, you may use completed activities from the date you initially passed your ASQ certification exam to the ending date on your wallet card/certificate that states 'recertify by', which is your expiration date.

How do I know if a course, conference, or training qualifies for RU credits?

As long as the program lies in at least one area of your certification(s) Body of Knowledge (BOK) OR is job enhancing, then you may use that toward your recertification period.

I do not have enough RU credits to recertify by my expiration date. What are my options?

If you do not have enough RU credits by your expiration date, you must recertify by exam. You are allowed up to one year before and after your certification (s) expiration date just to recertify by exam.

If there are extenuating circumstances (i.e., health, unemployment, family or personal emergency, military involvement, etc.) you may qualify for a waiver. You must contact the recertification coordinator at ASQ directly for details before your certification expiration date, either by phone, e-mail, or written letter.

How do I synchronize my certifications?

To initially synchronize two or more certifications that have differing expiration dates, all you need to do is include documentation and the 18 RU credits required to recertify the certification that is currently due. On the front cover of the recertification application form, list what other ASQ certifications you wish to have synchronized with the certification that is currently due along with their current expiration dates. You are not required to provide evidence for any of the other certifications when initially synchronizing.

Once the certification that is currently due is approved, then all other certifications, as indicated on the application form, will be revised to expire at the same time as the certification that is most currently due. Then for future recertifications you will only need to provide a total of 18 RU credits for all synchronized certifications, one application form, and one set of documentation relating to all certifications being recertified that fall within each body of knowledge (BOK) or that are job enhancing.

Remember:

1. Sign the recertification journal
2. List the various certifications that you have and their expiration dates
3. Indicate whether you wish to synchronize two or more certifications
4. Check to make sure you have at least 18 RU credits
5. Include payment—either credit card or personal/company check
6. ***Attach only the documentation for the sections where you claim credit***
