October 2010 Volume 52 Issue 02

ASQ Section 1508 St. Petersburg/ Tampa

DINNER MEETING Monday, October 11, 2010

Speaker: *Mark Rudacille*

Regional Sales Manager, Rocky Patel Premium Cigars

Topic: *The Art of Making a Quality Cigar*

This presentation will take us through the process of making quality hand-rolled cigars. Rocky Patel, the founder, will take us on a guided video tour of their cigar-making operations in Honduras. From the delicate seedlings nurseries to the sprawling tobacco fields to the immaculate cigar factory. He will describe how he introduced quality into the manufacturing process which results in consistent, high quality cigars. You will learn the some of the challenges that are part of delivering a custom, hand made product that is consistent over time.

Mark Rudacille will be there to provide additional information and answer our questions.

Regardless of your feelings about cigars and cigar smoking, this presentation will be eye-opening.

Greg Strohm, Chair

Message from the Chair

There are several things of importance to bring to your attention this month.

First, I apologize to those of you who were not able to register for last month's meeting. Several things contributed to the situation, in particular, the fact that several of the Board Members responsible for the various aspects of planning the meetings are new to the Board. I believe we have identified the causes of the problems and this should not be a problem in the future.

Second, the move to the Marriott required us to provide the meal count a day earlier than our previous venue. Consequently, the deadline for registrations is now at 4 p.m. on the Wednesday before the meeting. **For the upcoming meeting you must register by 4 p.m. on Wednesday, October 6th.** The deadline for cancellations is 4:30 p.m. on Wednesday, October 6th.

Third, due to a family emergency, I was unable to attend my first meeting as Chair. Thank you to Steve Manchester, vice chair, who stepped up to manage this meeting. It was a first for him also. Also, thanks to Victor Martins, past chair, for his support of both Steve and me.

Fourth, as quality professionals, we should take a great pride in President Obama's recent appointment of Dr. Don Berwick to be the Administrator of the CMS, the Centers for Medicare and Medicaid Services. Dr. Berwick is one of the leaders of the quality improvement efforts in healthcare. In Dr. Berwick, there is someone at CMS who understands the needs of patients, understands the challenges of providing healthcare and is passionate about quality.

Finally, we still need suggestions (or better yet, volunteers) to present at our meetings so we can continue to provide the education credits you need for re-certification. Please let one of us know if you are interested.

Thanks for your support and patience as we get the kinks out.

Greg
