

What type conflict do you have?

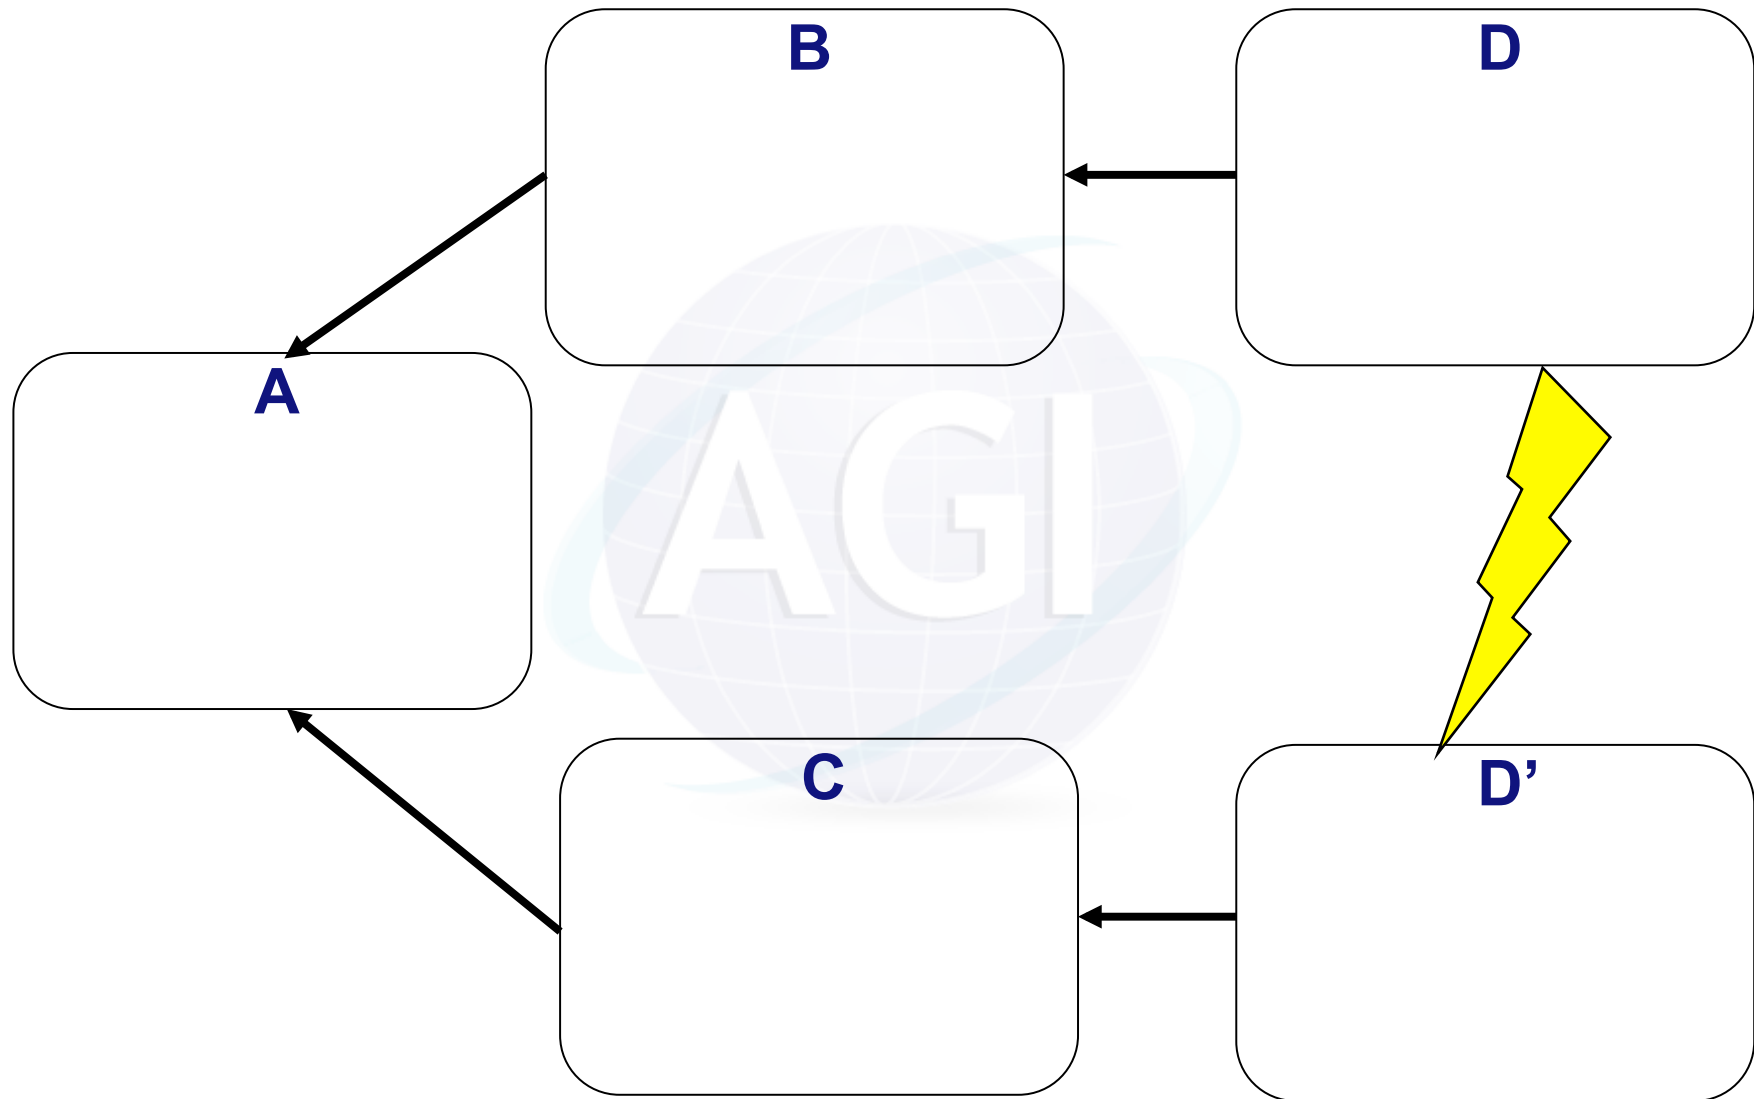

- Internal Conflict
- Situational Conflict
- Subordination Conflict
- Conflict/Chronic Conflict
- Alignment Conflict

Important Note: We identify the conflict type to help get started building the cloud. Many times, your storyline can appear to be more than one type; choose the one that seems to be the best fit. When you're building the cloud, there is no problem to switch to one of the other types if that helps you build a better conflict description!
